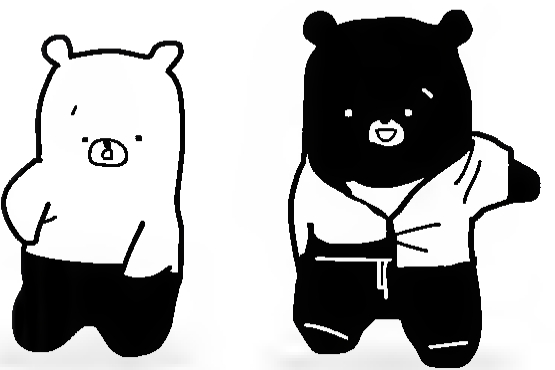
IT'S NOT THAT HE DOESN'T KNOW
THAT DRUGS AREN'T GOOD FOR HIM,
SO WHY DID HE START DOING DRUGS?

"BECAUSE PEOPLE ARE NOT LOGICAL CREATURES."

DON'T TRY TO FORCE OTHERS TO BE LIKE YOU.
TRY TO SEE THE OTHER PERSON FROM A
DIFFERENT PERSPECTIVE.



THERE ARE A LOT OF GREAT THINGS IN LIFE.
NOT EVERYTHING IS ABOUT HAVING
MEANINGLESS ARGUMENTS.

PEOPLE NEED OTHER PEOPLE TO UNDERSTAND THEM, BECAUSE THEN THEY FEEL ACCEPTED, AND RESPECTED, AND VALUED.

BUT IF YOU TRY TO SOLVE EVERYTHING WITH LOGIC AND REASON, IT GETS HARD TO PROVIDE PEOPLE WITH WHAT THEY NEED.

IF YOU SEE THE WORLD THROUGH OTHERS,
YOU'LL SEE MORE CLEARLY, AND HAVE A
BROADER VIEW OF THE WORLD.

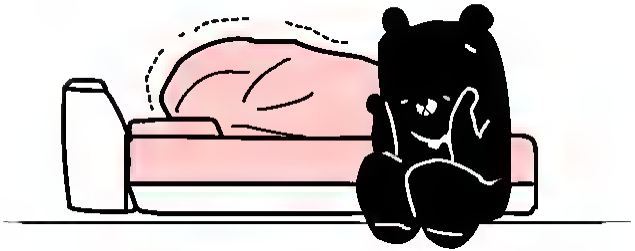
IF YOU ONLY EVER LOOK IN YOUR OWN MIRROR AND EXPECT OTHERS TO LISTEN TO YOU, OF COURSE YOU'LL END UP ARGUING.

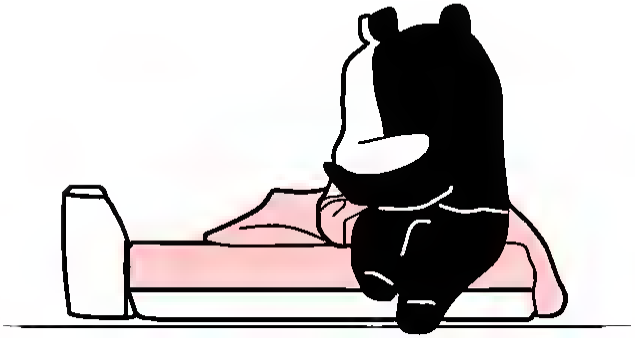
BUT IF YOU LOOK THROUGH EACH OTHER'S WINDOW AND SEE YOUR DIFFERENCES, YOU'LL SEE SOMETHING BEAUTIFUL.

THE LIFE OF THE THREE BEARS

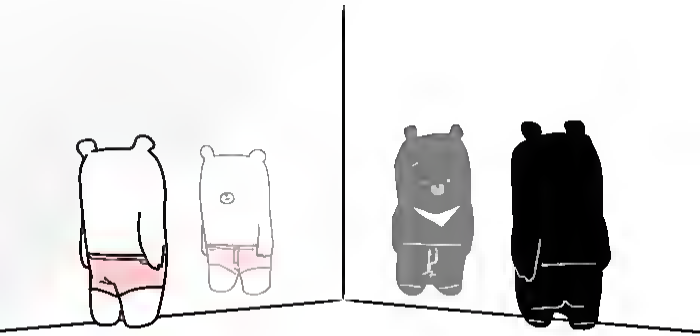
IS IT REALLY THAT IMPORTANT TO KNOW WHO'S RIGHT AND WRONG?



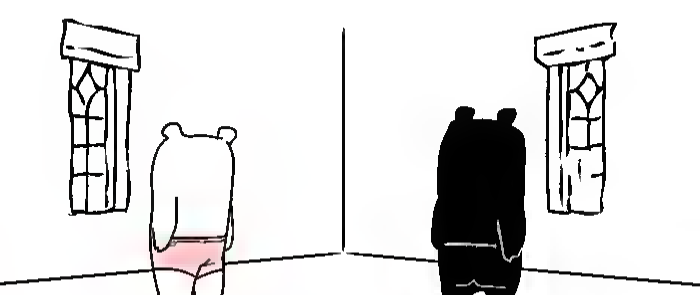
OF COURSE IT'S IMPORTANT, BUT WHAT'S MORE IMPORTANT IS THE INTERESTS OF BOTH PARTIES INVOLVED.



DO YOU SEE SOMEONE IN THE MIRROR?
BLACK BEAR SAYS: "I SEE MYSELF."

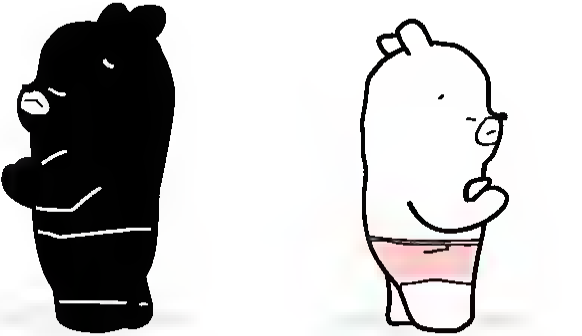


THEN WHAT DO YOU SEE IN THE WINDOW?
"I SEE A BEAUTIFUL SKY, A GREEN FIELD IN A PARK, AND GUYS AND GIRLS WALKING BY."

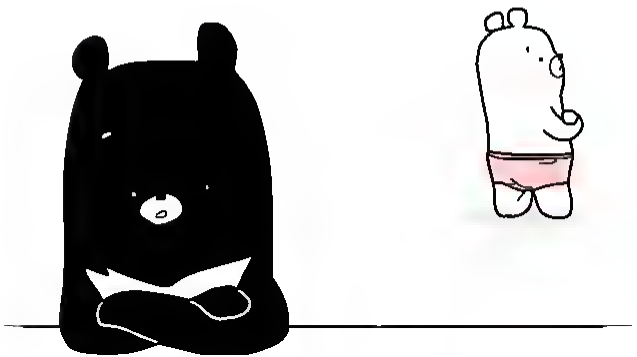


BLACK BEAR AND PENGUIN OFTEN DISAGREE AND ARGUE. ONE DAY, THE TWO OF THEM WERE ONCE AGAIN ARGUING OVER SOME TRIVIAL MATTER.

THE REASON WAS THIS : THEY BOTH THOUGHT THAT THEY WERE RIGHT, THAT WHATEVER THEY SAID WAS RIGHT, AND THAT THE OTHER PERSON SHOULD LISTEN TO THEM.



BUT DOES LOGIC AND RATIONALITY REALLY MEAN YOU'RE RIGHT ABOUT EVERYTHING? NOT AT ALL.



YOU CAN TALK TO A DRUG ADDICT UNTIL YOU'RE BLUE IN THE FACE, AND EVEN IF WHAT YOU SAY IS LOGICAL AND RATIONAL, THEY STILL WON'T STOP DOING DRUGS.
